

Student Information Sheet

Welcome!

We are delighted you will be joining us this summer and look forward to meeting you. It is important that you are well prepared before you arrive in England so please read the following information carefully.

The School

Bloxham School founded in 1860, is a traditional boarding school, located near Oxford and the picture-perfect Cotswolds. You will be accommodated in one of the school's homely boarding houses with other students and our staff.

The whole school has breakfast, lunch and dinner in the dining room and there is a light evening snack in your boarding house. Lessons are held in the modern classroom block. Bloxham has fantastic sports facilities; including tennis courts, astro turf football pitches, netball courts, a 23-metre heated pool, and lots of outdoor playing fields. There are also excellent facilities for theatre, art and leisure activities.

There are lots of places for our students to relax and make new friends, including a modern café and homely common rooms in all the boarding houses. All boarding houses are within a 5 minute walk of the facilities.

The Programme

- You will have 27 lessons/30 hours of English language tuition each two-week course. This includes General English, British Culture and Project classes taught by our friendly, supportive teachers. You will be allocated to an international project team while at ISC and you can win points for good work, behaviour and participation.
- When not in lessons, we offer a choice of activities including sports, swimming, circus skills, dance, arts and crafts, yoga, team competitions, British games and much more. Evening activities include discos, karaoke, quizzes, drama games, a murder mystery, cinema nights and barbecues. Twice a week we go to visit local places of interest, for example vibrant London, the university city of Oxford, Royal Windsor and Stratford-upon-Avon. You will be accompanied by our trained staff on all activities and trips.
- Your project lessons lead to the project show, which takes place in the Great Hall at the end of the course. The Projects will be judged and your team could win the cup!
- There will be students from many countries for you to make friends with. This gives you an exciting opportunity to learn about other cultures as well as British culture. As part of this, we ask you to prepare a presentation about some aspect of your country for our International Talent Show. It could be dancing, singing or anything else interesting you would like to show us. Please think about this before you come.
- On the first Sunday of each course, you can go on an optional excursion for an extra charge. If you want to go on an optional excursion, please bring enough pocket money to cover the cost, which is £50 - £75 per trip. Otherwise there are sports and activities on campus.
- WiFi is available at certain times throughout the day.
